Dear Ms. Gigi:

At its Full Board meeting on November 18, 2010, CB#2-Man., adopted the following resolutions:

Re: Support for Chinatown Working Groups’ Education and Schools Preliminary Action Plan

Whereas, the diverse community of residents in the greater Chinatown area result in the need for increased specialized programming, such as – but not limited to ELL programming for adults, teens and children, as well as discontinuing measures that adversely impact ELL learners, such as high-stakes testing; and

Whereas, existing schools and daycares needs to be preserved and adequate space ensured for the existing community and be able to accommodate for the future community, without inviting displacement of the longstanding community; and

Whereas, Chinatown school administrators should be encouraged to provide meaningful input in order to create rational school policies that take into account Chinatown’s unique circumstances and needs; and

Whereas, every child, regardless of need should have the option of attending a quality school, daycare and/or after-school programming within their neighborhood, and

Whereas, schools play an integral role in the lives of children, youth, parents and the community as a whole; and

Whereas, the Chinatown Working Group’s (CWG) Education and Schools working team has developed a Preliminary Action Plan (PAP), attached, based on feedback from a wide array of community stakeholders through a series of meetings as well as two town halls; and

Whereas, Community Board 2, Manhattan, is a voting member of the CWG board, and has supported their efforts to improve the quality of life in Chinatown; and

Whereas, both Community Boards 1 and 3, Manhattan, which border our district, are in support of the PAP as it relates to their jurisdictions.
THEREFORE, BE IT RESOLVED that CB#2-Manhattan supports the CWG’s education and Schools PAP as part of a precise, comprehensive, meaningful, timely and broadly supported community-based plan to improve the greater Chinatown community.

Vote: Unanimous, with 47 Board members in favor.

Please advise us of any decision or action taken in response to this resolution.

Sincerely,

Jo Hamilton, Chair
